

DESCRIPTION

A categorically different energy drink that provides instant, yet sustainable energy that lasts for hours without causing the jitters and the inevitable crash experienced with other energy drinks. The all encompassing formula consists of six categories of energy and health boosting ingredients all working together to balance and enhance the benefits of each other. The flavorful powder is packaged in a convenient, take-anywhere pouch allowing you to get that boost you need wherever you are.

RECOMMENDED USE

Add one packet of Genesis PURE™ ENERGY to 8-12 ounces of water (according to taste). Drink immediately upon awakening or whenever a boost of energy is needed.

KEY BENEFITS

- Provides instant, yet sustainable energy throughout the day
- An all-encompassing formula with six categories of energy and health enhancing benefits including:
 - An adrenal health blend
 - An alkalizing blend
 - Amino acids
 - Vitamins
 - Minerals
 - Nutrient-rich vitality blend
- Promotes mental alertness, improved memory, and a positive mood
- Contains adaptogens that help normalize body functions during stressful situations
- Amino acids help the brain produce adequate amounts of neurotransmitters which are necessary to regulate emotions, increase energy, and help the body adapt to stress
- Alkalizing ingredients bring a proper balance to the body which may help in preventing a weakened immune system and overall fatigue
- Contains a proper balance of caffeine and inositol that is not found in other overly caffeinated energy drinks on the market
- Contains antioxidants for immune health

"Genesis PURE ENERGY provided me with energy all day long and I never experienced a mid-day crash as I have with other energy products."

- J. Headman
